Pls:					
1. Number of ICA cleared children entrusted to adoptive parents	330	345	362	375	Entrustment or placement of children to PAPs range from 1-4 months after the acceptance of the child referral The number of entrusted children is based on the number of PAPs accepting a child referral and in the timeline in processing of entry visa/travel documents f the children which varies depending on the Receiving Country's immigration laws/policies.
2. Percentage (%) of the number of adoption placement that suffer from disruption	Not more than 3%	Not more than 3%	Not more than 3%	Not more than 3%	Disruption of placement may not necessarily be placements of children in current year but in previous year/s. It is envisioned that 99% of adoption placement will be successful with a finalized Adoption decree.
3. Percentage (%) of ICA cleared children matched within 10 days from receipt of ICA Clearance and child's dossier	90%	90%	90%	90%	Children under the category of Special Home Finding cannot be matched within 10 days from receipt of their dossier and ICA Clearance because these are children who are either older, members of sibling groups, have minor medical or psychological disorders or considered "high-risk" placements.
