Pls														
1. Number of ICA Cleared children entrusted to adoptive parents		104	82	63	66	315	95	96	88	89	368	53	The number of entrusted children is based on the number of Prospective Adoptive Parents (PAPs) accepting a child referral and in the timeline in processing of entry visa or travel documents of the children which varies depending on the Receiving Country's immigration laws/policies. The number of children entrusted for the 1 st and 2 nd quarter were those accepted in the last quarter of the previous year or in the 1 st quarter of 2015 but travel documents/entry visa were issued only during the 1 st or 2 nd quarter of 2015.	

2. Percentage (%) of the number of adoption placement that suffer from disruption		1%	1%	0	1%	3%	0.002%	0.004%	0.002%	0.009%	0.017%	2.983%	Disruption of placement may not necessarily be placement of children in current year but in previous years. ICAB envisions that ALL placements will be positive, mutually satisfying to both parties and conclude in the finalization of the adoption
3. Percentage (%) of cleared children matched within 10 days from receipt of ICA Clearance and child's dossier		90%	90%	90%	90%	90%	90%	90%	90%	90%	90%	0	Children cleared under the category of Special Needs/Special Home Finding due to being older children 5 years old and above; sibling group of 2-8 sibling group which will require Special Home Recruitment as there are no available approved PAPs in the Roster of Approved Applicants (RAA). Thus these children will not be matched within 10 days from receipt of their dossier.
